

Eco-Schools Action Plan

Students need to lead on developing the Action Plan.

Date Action Plan was developed:

20/04/2021

Action Plan developed by:

Eco-Schools Topic	Aim	Action(s)	Duration & Responsibility	Monitoring	Evaluation
Waste	To increase the recycling facilities available to all	Investigate how we can increase paper recycling in classrooms and plastic recycling around the school site	Year 9 and 10 representatives will investigate and prepare proposals by the end of 2021	WMM SDF	
Energy	To reduce the energy consumption at school	Identify rooms that could benefit from motion detection lighting, run a switch off campaign	Year 9 and 10 representatives will investigate and prepare proposals by the end of 2021	WMM SDF	

Biodiversity	To increase the quality of wildlife areas to increase biodiversity	Investigate areas of the school that are lacking in green areas and plants, and costing up planters for these areas	All council members will be looking into this, and have things in place by spring 2022, to ensure things are planted in time for the summer	WMM SDF
