Annex 1

COVID-19 school closure arrangements for Safeguarding and Child Protection at St Birinus School 2020-2021

School Name: St Birinus School
Date approved by Trust Board: 01 February 2021

Context

As part of our COVID-19 response, where schools and all childcare providers are asked to provide care for a limited number of children - children who are vulnerable, and children whose parents are critical to the COVID-19 response and cannot be safely cared for at home, for example, this addendum of St Birinus School Safeguarding, and Child Protection policy contains details of our individual safeguarding arrangements in the following areas:

Key contacts

Role	Name	Contact number	Email
Designated Safeguarding Lead	Maz Tottman	07593383595	mtottman@st-birinus.oxon.sch.uk
Deputy Designated Safeguarding Lead	Cheryl Howells	07593382875	chowells@st-birinus.oxon.sch.uk
Headteacher	William Manning	07736451581	wmanning@st-birinus.oxon.sch.uk
Chair of Governors	Conor Byrne		cbyrne@st-birinus.oxon.sch.uk
Safeguarding Governor	Sally Scott		sscott@st-birinus.oxon.sch.uk
Chair of Ridgeway Education Trust Board	Marcus Gover		mgover@ridgewayeducation.com

Vulnerable children

Please refer to the DfE guidance on critical workers and vulnerable children who can access schools or education settings, here.

Vulnerable children include those who have a social worker and those children and young people up to the age of 25 with education, health and care plans (EHCPs).

Those who have a social worker include children who have a Child Protection Plan and those who are looked after by the Local Authority. A child may also be deemed to be vulnerable if they have been assessed as being in need or otherwise meet the definition in section 17 of the Children Act 1989.

Those with an EHC plan will be risk-assessed in consultation with the Local Authority and parents, to decide whether they need to continue to be offered a school or college place in order to meet their needs, or whether they can safely have their needs met at home. This could include, if necessary, carers, therapists or clinicians visiting the home to provide any essential services. Many children and young people with EHC plans can safely remain at home.

Eligibility for free school meals in and of itself should not be the determining factor in assessing vulnerability.

Senior leaders, especially the Designated Safeguarding Lead (and deputy) know who our most vulnerable children are. They have the flexibility to offer a place to those on the edge of receiving children's social care support.

St Birinus School will continue to work with and support children's social workers to help protect vulnerable children. This includes working with and supporting children's social workers and the local authority virtual school head (VSH) for looked-after and previously looked-after children. The lead person for this will be: Maz Tottman (DSL).

There is an expectation that vulnerable children who have a social worker will attend an education setting, so long as they do not have underlying health conditions that put them at risk. In circumstances where a parent does not want to bring their child to an education setting, and their child is considered vulnerable, the social worker and St Birinus School will explore the reasons for this directly with the parent.

Where parents are concerned about the risk of the child contracting COVID19, St Birinus School or the social worker will talk through these anxieties with the parent/carer following the advice set out by Public Health England.

Where appropriate, St Birinus School will encourage our vulnerable children and young people to attend a school, including remotely if needed.

Attendance monitoring

Local authorities and education settings need to complete interim day-to-day attendance processes to follow up on non-attendance. DfE guidance on arrangements during COVID-19 can be found here.

St Birinus School and social workers will agree with parents/carers whether children in need should be attending school. St Birinus School will then follow up on any pupil expected to attend, who does not. St Birinus School will also follow up with any parent or carer who has arranged care for their child(ren) and the child(ren) subsequently do not attend.

To support the above, St Birinus School will, when communicating with parents/carers and carers, confirm emergency contact numbers are correct and ask for any additional emergency contact numbers where they are available.

In all circumstances where a vulnerable child does not take up their place at school, or discontinues, St Birinus School will notify their social worker.

Designated Safeguarding Lead

St Birinus School has a Designated Safeguarding Lead (DSL) and a Deputy DSL.

The Designated Safeguarding Lead is: Maz Tottman

The Deputy Designated Safeguarding Lead is: Cheryl Howells

The optimal scenario is to have a trained DSL (or deputy) available on site. Where this is not the case a trained DSL (or deputy) will be available to be contacted via phone or online video - for example when working from home.

Where a trained DSL (or deputy) is not on site, in addition to the above, a senior leader will assume responsibility for co-ordinating safeguarding on site.

This might include updating and managing access to child protection online management system, CPOMS and liaising with the offsite DSL (or deputy) and as required liaising with children's social workers where they require access to children in need and/or to carry out statutory assessments at the school or college.

It is important that all St Birinus School staff and volunteers have access to a trained DSL (or deputy). On each day staff on site will be made aware of who that person is and how to speak to them.

The DSL and Deputy DSL will continue to engage with social workers, and attend all multi-agency meetings, which can be done remotely.

Reporting a concern

Where staff have a concern about a child, they should continue to follow the process outlined in the school Safeguarding Policy, this includes making a report via CPOMS, which can be done remotely.

In the unlikely event that a member of staff cannot access their CPOMS from home, they should call [in order of preference] the DSL, Deputy DSL or Headteacher. If none are available to call, the member of staff should email all three and continue to attempt to call. This will ensure that the concern is received.

Staff are reminded of the need to report any concern immediately and without delay.

Where staff are concerned about an adult working with children in the school, they should make the senior leader on site with safeguarding responsibilities that day aware without and follow the same procedure above to contact the DSL, Deputy

DSL or Headteacher without delay. If there is a requirement to make a notification whilst away from school, this should also be done with a phone call and followed up with an email to the DSL, Deputy DSL and headteacher.

Concerns around the Headteacher should be directed to the Chair of Governors: Stephen White (contact details above).

The Multi-Academy Trust will continue to offer support in the process of managing allegations.

Safeguarding training and induction

DSL training will continue remotely whilst there is a threat of the COVID-19 virus.

For the period COVID-19 measures are in place, a DSL (or deputy) who has been trained will continue to be classed as a trained DSL (or deputy) even if they miss their refresher training.

All existing school staff have had safeguarding training and have read part 1 of Keeping Children Safe in Education (2019). The DSL should communicate with staff any new local arrangements, so they know what to do if they are worried about a child.

Where new staff are recruited, or new volunteers enter St Birinus School, they will continue to be provided with a safeguarding induction.

If staff are deployed from another education or children's workforce setting to our school, we will take into account the DfE supplementary guidance on safeguarding children during the COVID-19 pandemic and will accept portability as long as the current employer confirms in writing that:

- the individual has been subject to an enhanced DBS and children's barred list check

- there are no known concerns about the individual's suitability to work with children

- there is no ongoing disciplinary investigation relating to that individual

No movement of staff within the Trust is recommended during COVID-19 restrictions. If staff movement was requested, the DSL would seek assurance from HR Officer that the member of staff had received appropriate safeguarding training and the member of staff would be added to the school's Single Central Record.

Upon arrival, they will be given a copy of the receiving setting's child protection policy, confirmation of local processes and confirmation of DSL arrangements.

Safer recruitment/volunteers and movement of staff

It remains essential that people who are unsuitable are not allowed to enter the children's workforce or gain access to children. When recruiting new staff, St Birinus School will continue to follow the relevant safer recruitment processes for their setting, including, as appropriate, relevant sections in part 3 of Keeping Children Safe in Education (2020) (KCSIE).

In response to COVID-19, the Disclosure and Barring Service (DBS) has made changes to its guidance on standard and enhanced DBS ID checking to minimise the need for face-to-face contact.

Where St Birinus School are utilising volunteers, we will continue to follow the checking and risk assessment process as set out in paragraphs 167 to 172 of KCSIE. Under no circumstances will a volunteer who has not been checked be left unsupervised or allowed to work in regulated activity.

St Birinus School will continue to follow the legal duty to refer to the DBS anyone who has harmed or poses a risk of harm to a child or vulnerable adult. Full details can be found at paragraph 163 of KCSIE.

St Birinus School will continue to consider and make referrals to the Teaching Regulation Agency (TRA) as per paragraph 166 of KCSIE and the TRA's 'Teacher misconduct advice for making a referral.

During the COVID-19 period all referrals should be made by emailing Misconduct.Teacher@education.gov.uk

Whilst acknowledging the challenge of the current national emergency, it is essential from a safeguarding perspective that any school is aware, on any given day, which staff/volunteers will be in the school or college, and that appropriate checks have been carried out, especially for anyone engaging in regulated activity. As such, St Birinus School will continue to keep the single central record (SCR) up to date as outlined in paragraphs 148 to 156 in KCSIE.

Online safety in schools and colleges

St Birinus School will continue to provide a safe environment, including online. This includes the use of an online filtering system.

Where students are using computers in school, appropriate supervision will be in place.

Children and online safety away from school and college

It is important that all staff who interact with children, including online, continue to look out for signs a child may be at risk. Any such concerns should be dealt with as per the Child Protection Policy and where appropriate referrals should still be made to children's social care and as required, the police.

Online teaching should follow the same principles as set out in the school's Code of Conduct and Safeguarding and Child Protection policy

St Birinus School will ensure any use of online learning tools and systems is in line with privacy and data protection/GDPR requirements.

Outlined below are the principles all staff should adhere to when delivering virtual lessons, especially where webcams are involved:

- 1-1s are acceptable if conducted in the correct manner i.e. following the principles outlined in this annex.
- Staff and children must wear suitable clothing, as should anyone else in the household.
- Staff computers should be in appropriate areas (for example, not in bedrooms). Backgrounds should be blank or appropriately decorated walls.
- Where they are in use and where this is possible, live video classes should be recorded so that if any issues were to arise, the video can be reviewed. Recordings should only be started when the lesson starts and should terminate when exiting the lesson.
- Live classes should be kept to a reasonable length of time – between 45 and 60 mins and in line with the school day.
- Language must be professional and appropriate, including any family members in the background.
- Staff must only use platforms recommended by the school to communicate with pupils. Primarily, this is Microsoft TEAMS but includes Zoom video conferencing and Skype.
- Staff should record, the length, time, date and attendance of any sessions held.
- Staff should be careful to not share their screen when they have sensitive information on their computers e.g. SIMs, emails etc.

Supporting children not in school

St Birinus School is committed to ensuring the safety and wellbeing of all its Children and Young people.

Where the DSL has identified a child to be on the edge of social care support, or who would normally receive pastoral-type support in school, they should ensure that a robust communication plan is in place for that child or young person.

Details of this plan must be recorded on CPOMS, as should a record of contact made.

The communication plans can include; remote contact, phone contact, door-step visits. Other individualised contact methods should be considered and recorded.

St Birinus School and its DSL will work closely with all stakeholders to maximise the effectiveness of any communication plan.

This plan must be reviewed regularly and where concerns arise, the DSL will consider any referrals as appropriate.

The school will share safeguarding messages on its website.

St Birinus School recognises that school is a protective factor for children and young people, and the current circumstances, can affect the mental health of pupils and their parents/carers. Teachers at St Birinus School need to be aware of this in setting expectations of pupils' work where they are at home.

St Birinus School will ensure that where we care for children of critical workers and vulnerable children on site, we ensure appropriate support is in place for them. This will be tailored to each child and recorded on CPOMS where applicable.

Supporting children in school

St Birinus School is committed to ensuring the safety and wellbeing of all its students.

St Birinus School will continue to be a safe space for all children to attend and flourish. The Headteacher will ensure that appropriate staff are on site and staff to pupil ratio numbers are in place, to maximise safety.

St Birinus School will refer to the Government guidance for education and childcare settings on how to implement social distancing and continue to follow the advice from Public Health England on handwashing and other measures to limit the risk of spread of COVID19.

St Birinus School will ensure that where we care for children of critical workers and vulnerable children on site, we ensure appropriate support is in place for them. This will be tailored to each child and recorded on CPOMS where applicable.

Where St Birinus School has concerns about the impact of staff absence – such as our Designated Safeguarding Lead or first aiders, appropriate mitigation will be put in place and the viability of the provision will be assessed and adjusted to maintain a safe environment.

Peer on Peer Abuse

St Birinus School recognises that during the closure a revised process may be required for managing any report of such abuse and supporting victims**.**

Where a school receives a report of peer on peer abuse, they will follow the principles as set out in part 5 of KCSIE and of those outlined within of the Child Protection Policy.

The school will listen and work with the young person, parents/carers and any multiagency partner required to ensure the safety and security of that young person.

Concerns and actions must be recorded on CPOMS and appropriate referrals made.

Support from the Multi-Academy Trust

Where appropriate and necessary (in the case of staff absence/illness, for example), appropriately-trained staff may take responsibility for safeguarding students in other Trust schools.

Appendix for child protection and safeguarding policy (when phased return of pupils begins)

- Regular review of the existing safeguarding policy as more children come into school

- Updated communication to all staff of the name of DSL(s) and how to contact them

- Risk assessments are in place and linked with Safeguarding and Health and Safety

- Ensure safeguarding information remains up to date

- All safeguarding/child protection files are up to date, including actions and outcomes

- DSLs keep up to date with safeguarding issues

- Any pupils that have been attending other schools/settings, that this information is continued to be gathered from the "host" setting

- Vulnerable children with social workers, or EHCPs should continue to attend school. If they aren't attending, then there is a clear log of communication and regular contact with the social worker on CPOMS.

- School to continue to take into consideration the impact on student mental health with regular signposting of appropriate resources and offers of pastoral support

- To continue to do all we 'reasonably' can to ensure children at home are safe online
