Intent:

- Students are provided with opportunities to develop skills of leadership, expression, aspiration and dedication.
- Students will reap the benefits of taking independent initiative and driving their own development.
- Students will share in responsibility for the decision making process of the school.
- Students will develop skills in preparation for future career paths.
- Students will be empowered to become leaders in all contexts of life.

Expectations

- Students in positions of responsibility are representatives of the school and will therefore adhere to high standards of behaviour, uniform, punctuality and reliability.
- Students will be expected to collaborate with other staff and students appropriately to maximise the leadership opportunities of all.
- Students will be expected to remain committed to their role and to sustain that commitment.

Impact

- Students will gain confidence as leaders and will feel empowered to attempt new things with a 'can do' attitude.
- Students will be recognized and rewarded as leaders within the school.
- Students will be taught the difference between student participation and student leadership.
- Students will be enabled to maximise their potential and to achieve at optimum level.
