

Researching Apprenticeships and T levels

COMPULSORY: Click on and watch this excellent Introduction to Apprenticeships: <https://vimeo.com/412215955>

OPTIONAL ADDITIONAL RESEARCH:

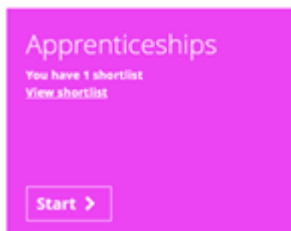

<http://www.gov.uk/further-education-skills/apprenticeships>

www.oxfordshireapprenticeships.co.uk - Local and national Apprenticeships and Traineeships, including a search facility for finding opportunities to match your needs.

A new type of qualification, which you can study for Further Education, are **T'Levels**.

Click on this link and then scroll down to access 3 or 4 different short videos explaining what they are: <https://amazingapprenticeships.com/resources/>

From the homepage on Unifrog (scroll down its homepage), you can search for and shortlist Apprenticeships, which is updated daily.
